Celebrating over 100 years of Quality Catholic Education

June 9, 2016

Dear Parents:

First grade will be an exciting year and I want to let you know that I am in the process of finalizing your child's new teacher. As soon as all the proper paperwork is done, I will provide you with their information.

Over the summer in addition to having fun and relaxing your child should be reading, reading, reading! They should be reading books to you and you to them daily.

Here are a few suggested reading series: Pre-reading Level 1 books (Amazon & Barnes & Noble have a great selection), Biscuit, Fancy Nancy, Marley, and Danny the Dinosaur.

You should also be playing simple math games focusing on addition and subtraction.

The *Summer Bridge* or *Summer Solutions* workbooks are always beneficial as they cover the year the child has completed as well as the year the child is going into. You can find them online.

Have a great summer and we will see you in August!

Sincerely,

Mrs. Rains  
Principal
